

Harness the power of quantum to expand human potential

Commercialize neutral atom-based quantum products that provide orders of magnitude improvement in computing and sensing applications

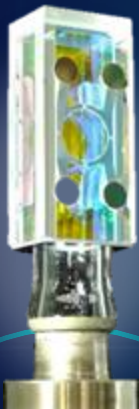

We design, build, and sell quantum computers, precision sensors, and software

Cores

**Infleqtion
Neutral Atom Core**

Compute

Sqale

**Neutral Atom
Quantum
Computer**

*High-performance
processing unit*

Sensing

Tiqker

**Next
Generation
Quantum Clock**

*GPS-independent,
ultra-stable timing*

Sqywire

**Compact
Quantum
RF Receiver**

*Full-spectrum
signals
intelligence*

Exaqt

*First in Earth's Orbit
Quantum Inertial
Sensing*

*Precision motion
and gravity
sensing*

Software

Superstaq

**Contextual
machine learning**

**Quantum app
development**

The only full-spectrum quantum company
